

Marbella Console

DESCRIPTION

The Marbella Console Table transforms travertine marble into an object of art. Its matte finish softens the stone's natural texture, while a rectangular top with gently rounded edges rests upon sculptural bases formed from spheres rising into columns. The composition is minimal yet commanding, refined yet expressive - a console that functions gracefully while serving as an architectural focal point in any setting.

ITEM CODE

CO2066-TRV

COLOR

Beige

MATERIALS

- Beige Travertine Marble Top and Base Matte Finish.

WEIGHT

NW: 695 Lbs
